

Salman Farshi

Front-End Developer

Email: salmanfarshidevel@gmail.com

Phone: +8801324385585

Address: Mirput-1, Dhaka

Summary

I am Salman Farshi, a Full Stack Developer in progress with a strong frontend foundation. I specialize in crafting clean, modern, pixel-perfect UI using HTML & CSS, and I am actively expanding my expertise into JavaScript, backend systems, databases, and full stack architecture. My goal is to build complete, scalable, real-world web applications – not just pages.
